밥이보양

1

White

A sweet and tangy creamy sauce with a refreshing hint of citrus. Inspired by Korean street toast, we drizzle it over shredded cabbage on rice. Not spicy at all — perfect for those who prefer a mild, slightly sweet flavour.

2

Bulgogi

A savoury, soy-based Korean-style sauce with a gentle sweetness. Great with **Tofu, Man Du**, or anything that needs a touch of comforting flavour — completely non-spicy.

3

Baby Hot

A creamy chili mayo with just the right touch of heat and sweetness. This is our mildest spicy sauce — smooth, balanced, and super popular. Great for spice beginners and pairs well with any dish on the menu.

4

Bibimbap

A Korean classic — this sweet, tangy, and spicy sauce is inspired by traditional bibimbap. It's rich and flavourful, and works beautifully with rice, veggies, and meat. Spice level is similar to your average Indian curry.

5

Spicy

A velvety, spicy sauce with a smooth build-up and a bold finish. Think creamy heat with a clean, lingering kick. Ideal for those who like their spice to be flavourful and satisfying..

6

Extra Spicy

A sharp, tangy sauce with a fiery edge. It delivers a fast, clean punch of heat that spice lovers will appreciate — intense but still tasty...

7

Hot

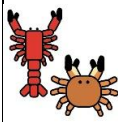

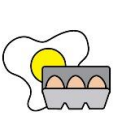

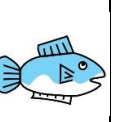

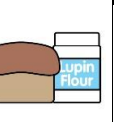

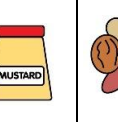

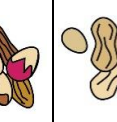

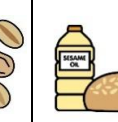

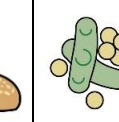

A bold and vibrant sauce with a strong, tangy spice that sticks around. It's got that straight-to-the-point heat and a satisfying depth of flavour. Made for those who want their spice to make a statement.

8

Crazy Hot

Our hottest sauce — a few drops is all it takes. It's intense, powerful, and not for casual spice fans. 🍷 **Please taste before you order.**
